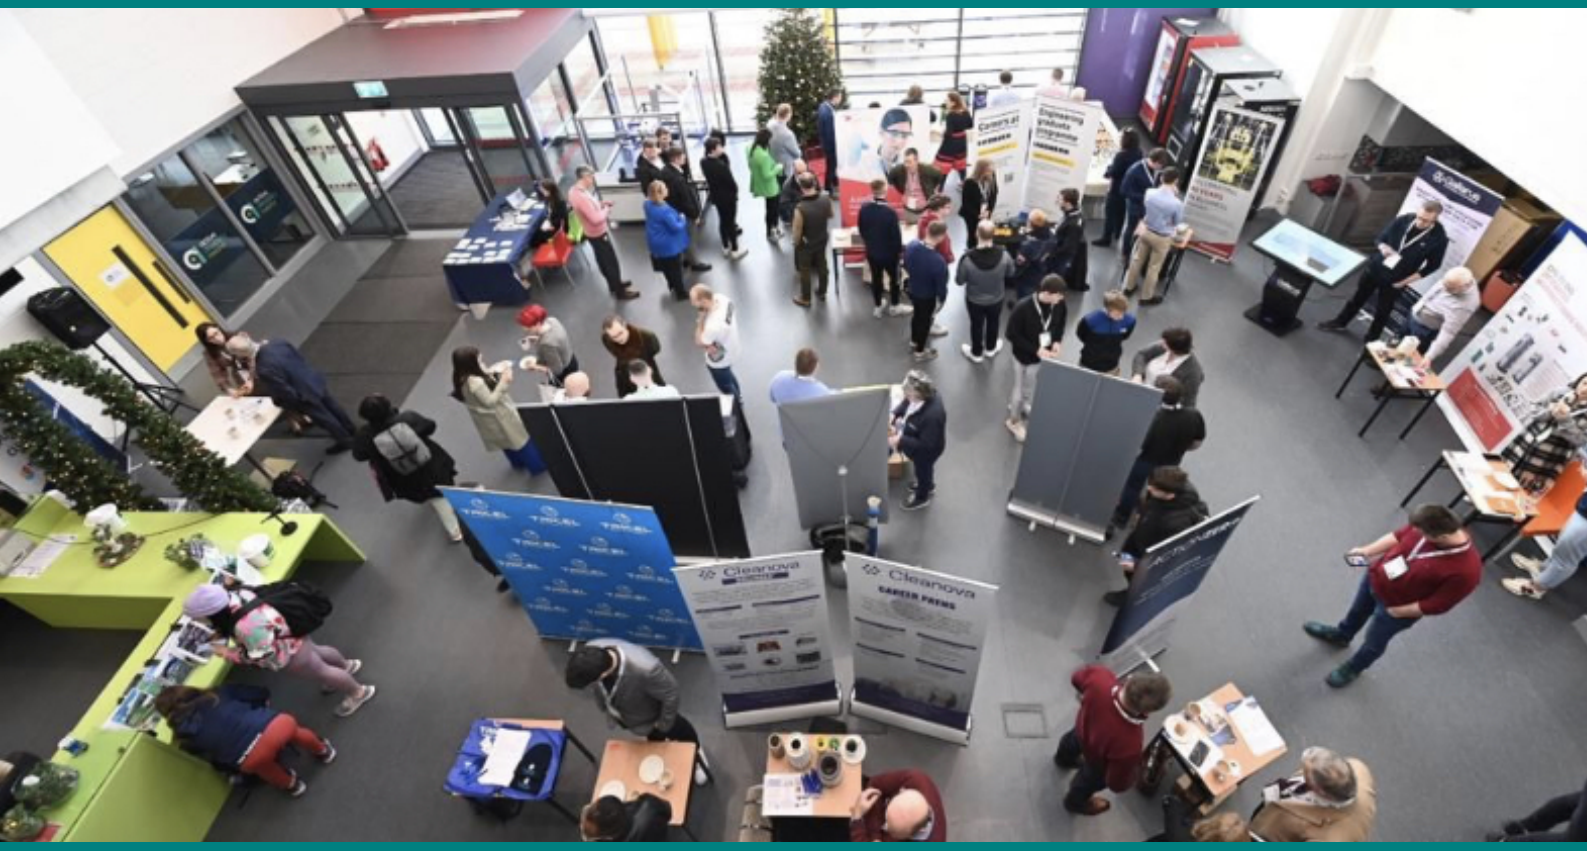
Engineering Symposium - 28th Nov 2023



As part of Kerry Science Week 2023, The Rethinking Engineering Education in Ireland @REEdI team at MTU hosted their inaugural Engineering Symposium here at the Kerry Sports Academy. This gathering brought together leaders in academia, industry, REEdI Engineers in Residence and students to celebrate the world of Engineering!

Innovation and collaboration took center stage as REEdI students from the Bachelor of Engineering in Mechanical and Manufacturing Engineering at MTU Kerry Campus (MT834) showcased their innovative projects and connected with industry partners to explore placement and career opportunities.

The event delved into the future of engineering, covering career pathway planning and innovations in cyber skills. Insights were shared from respected academics, researchers, industry professionals, students, and educators.

GOAL Mile - 29th Nov 2023

Students and staff at MTU took a walk on Wednesday to raise funds for GOAL this Christmas. The GOAL Mile saw walkers leave from the entrance of the Kerry Sports Academy at the MTU for a short walk around campus for the great cause.

The GOAL Mile is a renowned and long-standing event that helps raise funds to transform the lives of the world's most vulnerable people. Refreshments and Christmas treats were served after the event and people gave generously in the donation bucket.

Kerry GAA Club Coach Development Programme 25th of Nov & 2nd of Dec

Coaches came to the Kerry Sports Academy on consecutive Saturdays for the Kerry GAA Club Coach Development Programme. Speakers from across the Kerry Senior Football Backroom Staff including Mike Quirke (Coach), John Barry (Sports Science) and Paudie McQuinn (physio) along with PhD Researchers Karol Dillion and our own MTU Lecturers Niall O'Mahony and Fionn Fitzgerald presenting their own research. James Costello and Dr Neil Welch also presented.

These two days gave the Club Coaches some interesting insights on all areas of both Gaelic Football and Hurling for the coaches to bring back to their own clubs. The event was mainly held in our Lecture Hall which catered for the 60 coaches in attendance which progressed to the Hall where practical sessions were delivered by the guest speakers.
